Fix Pack Contents

Installation of this fix pack addresses the following issues, the details of which are outlined below.

- IS-6920
- IS-6936
- IS-6937

Description of Issues Fixed

IS-6920: Data Grid with field named "id" causes Please Wait Freeze

During testing, it was discovered that using a field named "id" could cause Dashboard Data Grids to malfunction. This issue has been fixed.

IS-6936: Unable to Edit an Analysis

During testing, it was discovered that some Analyses could fall into a state where they became un-editable in the product's UI. This issue has been fixed.

IS-6937: Dashboard Report Excel Export is not working when accessed through Govern using IE 11

During testing, it was discovered that users were unable to export data from a dashlet in the MS Excel (.xlsx) format when accessing the product via a Govern portal with the IE 11 browser. This issue has been fixed.
